

GrassWorks Inc.

You're invited to Farm Sweet Farm LLC!

Join us for the Annual GrassWorks Picnic & Pasture Walk

In partnership with:

Organic Valley CROPP
Byron Seeds

Friday, July 21, 2017
10:00 am – 4:00 pm

10:00-12:30: Walk the farm! Farm Sweet Farm LLC has been in all grass for 11 years. The Flashinski's have been grazing animals for 15 years. Species include beef cattle and chickens. Other pets that have been part of the system are horse(s), goats and a rabbit. Things to see are silvopasture, wetland, tree plantings, outwintering areas, new seedings and much more.

12:30 – 2:00: Enjoy a picnic feast (**potluck - please bring a dish to pass!**). The following food will be provided: hotdogs, chocolate milk, and cheese graciously provided by **Organic Valley**.

2:00 – 4:00: Stick around for a discussion on working the grazing farm with kids, holistic management grazing planning, soil testing and reading results, direct marketing, the 10 year slump and so much more.

Please bring your own lawn chairs. Bring your whole family.

RSVP BY JULY 14th to Heather at 715-379-3742 OR grassworksheather@gmail.com to make sure we have enough Organic Valley treats and paper supplies. You are still welcome to come after this date, but you might want to bring a second dish to pass. ☺
