

wisconsin grass-fed beef cooperative

You're invited to a picnic on the farm!

It's the
GrassWorks Annual Picnic
and
WI Grassfed Beef Co-op
10 Year Celebration
at
Cavern Point Farm

Thursday, July 19, 2018
10:00 am – 4:00 pm

10:00-11:00: Optional early bird tour of the Marshfield Agricultural Research Station. Come to see how the practices of no-till planting, cover crops, and managed grazing are used to protect soil and water in Central Wisconsin. [M605 Drake Ave, Stratford, WI 54484]

11:30-1:00: Cavern Point Farm, GrassWorks, and WI Grassfed Beef Co-op (WGBC). See an example of a start-up family business and how perennials and grazing can transform the land. Get updated on GrassWorks and WGBC, and learn how they are connected to the host farm.

1:00-2:30: Lunch. Get your fill! A classic summer meal including grass-fed burgers and hotdogs. Lunch is compliments of Wisconsin Grassfed Beef Cooperative.

2:30-4:00: Pasture Walk. Bill Kolodziej, Marathon County grazing specialist will cover all things grazing: facility design, forage management, animal selection, and grass finishing.

Bring your lawn chairs and your family!

RSVP BY JULY 12th to Jason at 715-650-7451 OR jason.cavadini@wisc.edu

Host:

The Cavadini Family

Jason & Jocelyn

Timothy, Nathan, Silas, Micah, Noelle
